

The A series paper sizes are commonly used in Australia and throughout most parts of the world with the exception of USA, Canada and parts of Mexico.

A4 size paper is compatible with inkjet or laser printers and photocopiers. Some devices also accept A3 size paper.

TIP: Each sheet is folded in half on the longest edge to get to the next smallest paper size.

| | |
|----|---------------|
| A0 | 1189 x 841 mm |
| A1 | 841 x 594 mm |
| A2 | 594 x 420 mm |
| A3 | 420 x 297 mm |
| A4 | 297 x 210 mm |
| A5 | 210 x 148 mm |
| A6 | 148 x 105 mm |
| A7 | 105 x 74 mm |
