

# PLANET ARK

*Make it Australian Recycled*

**Congratulations! Every time you use this paper you're making a positive difference to Australia's recycling loop.**

To help you make the switch to recycled, Planet Ark and Australian Paper have teamed up to create this bright white, 100% recycled paper, perfect for every office. Choosing this product keeps waste paper out of Australian landfill, supports local jobs and provides you with high quality documents. Which makes your choice good for the planet, the economy and you.

- Australian made
- 100% recycled post-consumer wastepaper\*
- FSC® certified
- Carbon Neutral certified

<b>500</b> sheet ream	<b>A4</b> sheet size	<b>ACID FREE</b>
<b>150</b> whiteness	<b>100%</b> recycled content	<b>80</b> gsm weight

## PRODUCTION INFORMATION:

### Mill

Maryvale Mill, Victoria, Australia.
